

ESPRIT DE CHARLES

The most serious, manly fragrance in the collection is ESPRIT DE CHARLES. Green and resinous, it can remind you of all the pine aromas for air-fresheners you know.

ESPRIT DE CHARLES was created as fresh interpretation evoking an intoxicatingly voyage, enjoy the rich, confidence-boosting aroma of ESPRIT DE CHARLES. The perfume was launched as a summer fragrance, while EDP makes a great match.

The fragrance has become deeper and more intensive.

The citruses, so dominant in the original, have now been given a marginal role – the focus is on aromatic herbs, and it has become more accentuated.

The opening notes load it with freshness and summery feel and the fragrance opens with LEMON, BERGAMOT, GREAPEFRUIT, followed by a heart featuring CLARY SAGE, LAVENDER, JASMINE, ROSE.

The base is composed of WHITE MUSK, AMBER

The fragrance is available as a 100 ml Eau De Parfum.
