

CUIR SUBLIME

I haven't figured it out just yet. All I know is that after letting it out of the bottle, it builds a scene of a dark forest, and you're standing in front of it, not quite sure if you are brave enough to enter. The fragrance was announced as an 'original creation born by unconventional combining of freshness coming from cypress notes of the original fragrance Galbanum and rich, sensual shades of aromatic leather.'

Well, you'll need to find the prove yourself, and this windy, mysterious aroma invites you to enter the depths of the forest and discover its hidden world.

This Eau De Parfum features top notes of CYPRESS,CARDAMOM, BEESWAX Lending earthy aroma to the fragrance.

CYPRESS,CARDAMOM,BEESWAX middle note | ends floral essence to the mix. While base notes of | eather , suede and musk command attention and leave a lasting impression.

The fragrance is available as a 100 ml Eau De Parfum.
