

## MONTEE ROUGE

---

MONTEE ROUGE is a scent of contrasts, between power and sensuality, roundness and opulence, announced as a warm and charismatic fragrance that comes in golden version of the bottle. Classically elegant and feminine delicate floral fragrance is opposing the briskly-aromatic French style of the house; however, its moderate rhythm reveals the ambitions of beautiful floral fragrances of the past century. It is an icon of modernity in the Middle East and a city revered for its captivating contrasts that reflects off the sea and city, to set the velvety night sky aglow.

The composition is composed of coconut, peach, clove bud and honey notes in the top followed by the floral heart of rose, ylangylang, jasmine, muguet, patchouli and saffron.

The base includes tonka, amber, musk and vanilla

**The fragrance is available as a 100 ml Eau De Parfum.**
